

“Each person should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms.” (1 Peter 4:10)

Have you ever had the sense that you were meant for something more? At Grace Lighthouse Church, we believe you are! Each and every week God is changing lives in our fellowship. But the stories of transformed lives are possible because of people who volunteer their time and energy in ministry. Whether it’s teaching Sunday School, singing, media ministry, holding a baby so amom can hear the message, fixing coffee, or being the smiling face someone meets when they arrive at GLC, you are needed!

Serving at GLC is a simple and rewarding way to use the unique skills, gifts and talents that God has given you! As Grace Lighthouse Church grows, so do the opportunities for willing servants who want to help us fulfill our God-given mission and purpose as part of His Church. We believe the Bible teaches that every Christian has been gifted for ministry, so we teach that serving in an area of ministry should be developed for every member (Eph. 4:16). When we serve others our lives are transformed too!

Would you please take the opportunity and fill out the questionnaire to let us know what you would like to be a part of? We look forward to hearing from you regarding the areas that you could see yourself serving in. Some of these areas have yet to be developed but we see them as areas of ministry that prayerfully could happen at GLC.
