PSALM 119:73-88 | 2.9.21

1. Where does the psalmist put his hope?
2. What does he ask God?
3. Why is he so committed to the Word and ways of God?
4. Do you find it easy or difficult to trust God in affliction? Elaborate.
5. What verses stand out to us for personal application? Meditate on these verses. Perhaps write them on an index card or sticky note and put it somewhere you'll see it this week.
