

“Walking in Wisdom” Lesson 3

Main Text: James 2:1-26

Lesson Outline:

1. vv. 1-13: Show no partiality

- The Scriptures reveal that God doesn't show partiality. See **John 3:16, John 4:13-14, 1st Samuel 16:7**
- You cannot separate loving God from loving others. If we are showing partiality, we are not loving well. Partiality is sin.

2. vv. 14-26: The qualities of an effective faith.

- We should want our faith to be *profitable*, that is a faith that is applied and used for its intended purpose.
- **2nd Timothy 2:15:** ¹⁵ Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth.
- **The Examples of Rahab and Abraham** – Faith in Action.

Scriptural Definitions of Salvation

1. Eternal Salvation
2. Physical protection and deliverance (common in Psalms)
3. Temporal deliverance from trials and temptation
4. Preservation of life

Eternal Salvation is not the major theme of the Epistle of James, but rather preserving one's life and testimony.

It is about being justified before men (in other words, displaying the righteousness of God before a watching world).
