

Coming in May 2021.....

The most bitter failure in Peter's life occurred when he denied his Lord in the palace of Caiaphas, but the resurrected Christ graciously forgave and restored Peter by the Sea of Galilee and then commissioned him to strengthen his brethren. Peter fulfilled this command as the Holy Spirit moved him to pen the epistles that bear his name. They were written to the people of God who were suffering great persecution. This two-volume set shares with the reader encouraging words on living as strangers in a world hostile to God and His children.

1 Peter 5:10 But may the God of all grace, who called us to His eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen, and settle you.
