PSALM 119:137-160 | 3.2.21

1. What do we learn about God's character here?
2. How does the psalmist actively rejoice in God in the midst of suffering?
3. What does he request of God?
4. How can we love God's Word more?
5. What verses stand out to us for personal application? Meditate on these verses. Perhaps write them on an index card or sticky note and put it somewhere you'll see it this week.
